

BLESSED 24:7 Foundation, Inc. non profit 501(c)3

Wanda Childs – Founder/President – 301.333.8009 – www.WandaChilds.com

Assisting our youth and young adults with pursuing their dreams of becoming entrepreneurs!

Wanda Childs established the **BLESSED 24:7 Foundation, Inc.** to assist our youth and young adults with pursuing their dreams of becoming entrepreneurs.

Through the efforts of the foundation, our seminars are designed to take the fear out of becoming an entrepreneur and prepare our youth and young adults to participate successfully in society.

Our seminars will assist and prepare individuals with the **"Simple Steps to Starting Your Business From Ground Zero"** and **"Creating a Foundation for a Successful business"**.

Realizing that a college education is a great opportunity for our youth and adults to pursue, the truth is, college is not always an affordable or available option for many. Many of our youth and adults have skills, services and talents that would afford them an opportunity to go into business for themselves.

Our purpose is to mentor, motivate and prepare our youth and young adults for the exciting world of Entrepreneurship! With the downsizing and layoffs in corporate America, many people are turning to self-employment and we are here to help with that transition.

The workshops will be held at a public location in the community, such as, Public Library, Community Center, etc. The seminars/workshops will be offered for a reduced cost and will include a FREE workbook and handouts for each participate to leave with.

Some seminars will include invited guest speakers to share their knowledge and talents with the group in areas related to the seminar topics. We are planning to host a seminar/workshop each month, depending upon the demand of the registration process. The seminars will last anywhere from 2-8 hours in length, depending upon the amount of participants and invited guest speakers.
