Breakaway banners are commonly used in football games, basketball games, other sporting events, college & high school activities for advertising, promoting, or to commemorate a championship team or season. Our breakthrough banners are composed of 2 pieces of banners which are attached with Velcro down the middle. The Velcro will allow sports players to run through easily.

And on either side, there is a pole pocket so you can slide the banners easily to your poles. Cheer team members can hold the poles on either side to display the completed image to show your team pride before your team enters the field. And then your team can run or break through the banner to pump up the crowd.

Features

- Fully customizable - Both size and graphics can be customized according to your preference.
- Full-color Printing - High-quality printing is assured to make a vivid, vibrant banner for your team
- Affordability - We offer 4 material options for you to make a banner fits every budget
- Reusable and washable - All fabrics for making these banners are washable. You can wash and reuse them for multiple seasons.

Breakaway Banner

10ft x 14ft * 600D PU Polyester * Polo Sleeve

Custom make a breakthrough banner to fire your team and fans up with a grand entrance! A breakthrough banner printed with your logo or slogan is a perfect choice for your next sports event to keep the players in utmost enthusiasm and team spirit.

The tent's canopy is the polyester high-definition printed fabric that is the top part of your tent. It's easily added to your tent's frame and raised to the height you need. canopies are weather resistant. Every custom Pop Up Tent's canopy has four peaks or triangular sides. Print your custom marketing graphic using our dye sublimation process and attract attention from miles away. The valences are rectangular shaped polyester fabric parts that hang down from your tent's canopy. Use them to show any type of information such as a website name, contact information, or fun message. Pop Up Tents come with four custom printable valences. The custom Pop Up Tent's frame provides the structure of your tent and determines the tent's size. Made from high-quality sturdy aluminum, it is easily expandable and collapsible. The frame also comes with extendable legs for height adjustment. All parts can be shortened and folded to fit into the tent's very own portable carrying bag. The tent walls are your largest display tent sections. Made from the highest quality water resistant polyester, tents display any promotional or brand graphic in true high-definition. Make your choice between full walls or half walls on each of the tent's side depending on your needs. Tents get the attention you need in a heartbeat!

Our Pop Up Tent Features:

- Full color dye-sublimation graphic. | Scratch resistant tent fabric.
- Weather resistant tent fabric coated in a water proof layer. | Our pop up tents include a carrying bag with wheels.
- All fittings are made from aluminum, making our pop up tents more durable and resistant to wear and tear.
- 40mm Hex aluminum frame with adjustable legs.
